REMARKS

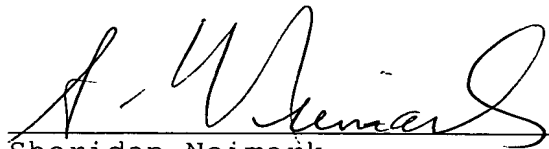

Claims 1-20 presently appear in this case. The amendment to claims 4 and 6-10 are made to eliminate all multiple dependencies so as to reduce the filing fee. The amendment to claim 5 was made to place the claim into better condition for examination. Claims 11- 20 were added to restore at least in part the array of dependencies of the original set of claims. Please enter this amendment prior to calculation of the filing fee. None of these amendments are "narrowing" amendments. No limitations are added and none are intended.

Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,
